Re: Burton v. McCarthy/SC 20466

Dear Clerk of the Supreme Court:

The above-referenced appeal has been assigned for argument on September 10, 2020 at 11 AM.

As plaintiff-appellant, this is to request that argument of the above-reference appeal take place in person before the assigned justices of the Supreme Court rather than remotely due to the COVID-19 pandemic pursuant to such precautions as necessary.

I have queried opposing counsel and they take "no position" on this request.

I believe that in-person argument will substantially assist the justices in this appeal, which is of substantial public interest and presents first-impression issues of statewide and precedential significance.

Thank you for your consideration of this request.

Sincerely,

Nancy Burton
